

MAKE YOUR OWN GLIDER!

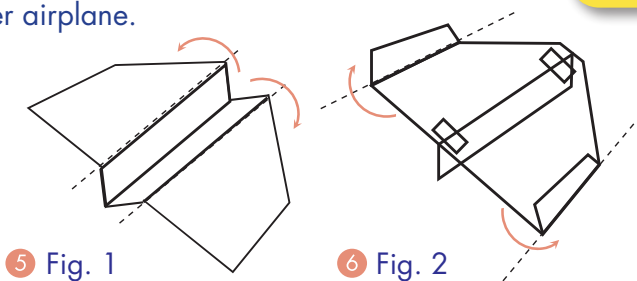

Directions:

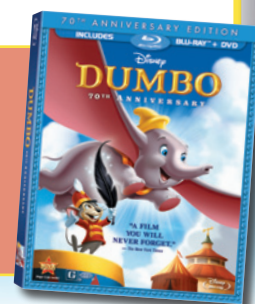

- 1 Cut out page 2 template along dotted line. Fold back horizontally along A.
- 2 With Dumbo and Timothy facing down, fold diagonally along C and D.
- 3 Fold tip along E.
- 4 Fold in half along B.
- 5 Fold either side of the center fold, making Dumbo match up. Fold the sides down to open up the wings (Fig. 1)
- 6 Tape Dumbo together (Fig. 2) Fold wing flaps up as shown, adjust the width as you test your paper airplane.
