

How to draw THUMPER!

Learn to draw one of your favorite characters from **BAMBI** with celebrated Disney Animator, **Andreas Deja**.

Follow these seven basic steps and you'll be drawing like a true Disney Animator! Have Fun!

Step 1:

- Draw an oval shape to establish Thumper's head.
- Draw two crossing lines to indicate his eyeline to the right.
- Add a simple curve to show his body placement.

Step 2:

- Add Thumper's body in the shape of a large peanut.
- Add the center line for dimension.

Step 3:

- Indicate Thumper's fluffy chest with a small oval.

Step 4:

- Add Thumper's arms, both right and left, starting with his shoulder and elbow.
- His paws will be pointing towards his tummy.

Step 5:

- Add Thumper's legs by establishing where his knees would be.
- Then shape his feet.
- Add Thumper's tail with a simple circle.

Step 6:

- Add expressions and facial features by adding his nose and muzzle.
- Expand Thumper's cheeks and add his mouth - don't forget his tooth.
- Add eyes, lashes and eyebrows.
- Then, establish his floppy ears and fluff up his cheeks.

Step 7:

- Color in Thumper's tongue.
- Fluff up his fur throughout his tail and chest.
- Indicate his toes and finish any remaining details.
